

# Focus on Farmers Virtual Farm Walks & Discussions

Sam Chesney, County Down

James Evans, Shropshire

**A series of virtual farm walks & discussion with two leading beef farmers will take place fortnightly at 8pm starting on 10th August 2020.**

**Purpose:** To establish a dynamic digital forum to advance education amongst livestock farmers with a focus on grassland agriculture and key factors of consumer interest in livestock products.

**Theme:** Connected pasture management

**Week 1 - 10th August - Farm ambassador introductions**

**Week 2 - 24th August - Optimising beef productivity from grassland**

**Week 3 - 7th September - Farm animal welfare**

**Week 4 - 21st September - Net zero carbon beef farming**

**Week 5 - 5th October - One Health**

**Week 6 - 19th October - Eating quality**
